# Obsessions Digressions Shocking Confessions Welcome

**before fiction - muse.jhu** - the uncanny is generated by the shocking eruption of the irrational into the rational world, it cannot very well exist before the world itself is viewed rationally; indeed, the uncanny is precisely the return of beliefs "surmounted" **saskia pieterse, university of amsterdam\*** - saskia pieterse this focus on the political and critical substance seems something multatuli himself would have applauded, as he explicitly remarked on his indifference for aesthetical praise. **the fascination of artifice. valéry and cioran** - expectation of revelation and of unveiling shocking or exceptional details. however, since a real person does not gs are mostly anodyne, one falls necessarily estranging oneself from the plainness ...
